

COMPANY OVERVIEW

Vulnaguard LLC provides cybersecurity consulting, compliance readiness, vulnerability management, and compliance automation solutions for government contractors, regulated businesses, and organizations handling sensitive information. This catalog establishes standardized starting prices for fixed-price engagements; custom Statements of Work are available on request.

FIXED-PRICE ENGAGEMENTS

SUBCONTRACTOR SWEET SPOT

Six of seven fixed-price engagements ship within the federal micro-purchase / Simplified Acquisition range — ready for prime subcontract or direct invoicing under CAGE 21QQ7.
